Dreadful Attack of Whooping Cough.

Mrs. Ellen Harrison, of 300 Park Ave, Kansas City, Mo, writes as follows: "Our two children had a severe attack of whooping cough, one of them in the paroxysm of coughing would often faint and bleed at the nose. We tried everything we heard of without getting relief. We then called in our family doctor who prescribed Foley's Honey and Tar. With the very first dose they began to improve and we feel that it has saved their lives." Refuse substitutes. Sold by Shanahan & Mitchell. dw

CROP CONDITIONS

From the United States Department of Agriculture.

Cherokee Nation—Over the northern portion wheat is generally in fine condition; oats are mostly sown and coming up well; corn plowing is in slow progress but little planted; stock is doing better; a fair crop of fruit in prospect; rains placed ground in good working condition.

Over the middle portion wheat is looking fine, and making a good growth; oats are coming up well, but acreage reduced; plowing and planting of corn in slow progress, about one-third planted; very little cotton land prepared, wet weather delaying work; stock doing well; fruit doing well but peaches in some localities is a failure.

Over the southern portion corn is about half planted, with a good prospect; potatoes are coming up well; cotton prospect good; range and pasture good, and stock doing well; gardening in progress; peaches are mostly killed, apples are doing well; strawberries a good crop.

Creek—Over the northern portion wheat is in fine condition; prospect good for a large acreage of oats, corn, and cotton; fruit in fine condition, peaches and apples promising; stock is in good condition, but small loss during winter.

Over the middle portion wheat is in good condition; range stock holding their own.

Chronic Bronchitis Cured.

"For ten years I had chronic bronchitis so bad that at times I could not speak above a whisper," writes Mr. Joseph Coffman, of Montmorency, Ind. "I tried all remedies available, but with no success. Fortunately my employer suggested that I try Foley's Honey and Tar. Its effect was almost miraculous, and I am now cured of the disease. On my recommendation many people have used Foley's Honey and Tar, and always with satisfaction." Sold by Shanahan & Mitchell. dw

Will Take Stanley Work.

Chairman Bixby of the Dawes Commission has announced the assignment of the Commissioners to the land offices of the different nations. The Commission offices and the greater part of the employees remain in Muskogee.

A Great Sensation.

There was a big sensation in Leesville Ind, when W H Brown of that place, who was expected to die, had his life saved by Dr. King's New Discovery for Consumption. He writes: "I endured insufferable agonies from asthma, but your New Discovery gave me immediate relief and soon thereafter effected a complete cure." Similar cures of consumption, pneumonia, bronchitis and grip are numerous. It's the peerless remedy for all throat and lung troubles. Price 50c and \$1. Guaranteed by People's drug store. Trial bottles free. dw

Cherokee Summer Normal.

The fourth annual session of the Cherokee Summer Normal will be held at the Female Seminary, Tahlequah, I T, beginning June 15 and continuing four weeks. Judging from the number of letters of inquiry received, the increased interest in educational affairs and the steady growth of the normal from year to year, the attendance will be unusually large this season. We have now employed in the public schools of the Cherokee nation one hundred and fifty teachers at salaries from \$35 to \$45 per month; in the high schools, nineteen teachers at salaries from \$45 to \$100 per month. The salary of teachers is determined by result of examination, combined with degree of success in school work. Appointment of teachers will be made from those holding normal certificates. Thoroughly competent instructors, have been secured for every department and lecture auxiliary to class work will be given. The charge for board and tuition will be \$12 for the term; charge for tuition and examination, without board, will be \$4. A normal for our colored teachers will be held at the same time and under the same conditions. A. S. WYLY, Secretary, Department of Education.

Due Notice is Served.

Due notice is hereby served on the public generally that DeWitt's Witch Hazel Salve is the only salve on the market that is made from the pure, unadulterated witch hazel. DeWitt's Witch Hazel Salve has cured thousands of cases of piles that would not yield to any other treatment and this fact has brought out many worthless counterfeits. Those persons who get the genuine DeWitt's Witch Hazel Salve are never disappointed, because it cures. A W Foreman. dw

Killed By Lightning.

During the thunderstorm Thursday afternoon a farmer named Pitts while plowing the field on the Snell farm eight or nine miles north of town was struck by a bolt of lightning and instantly killed. Deceased was holding to the plow handles walking in the furrow behind when struck and fell backward and the team stopped. He was seen from the house nearly a quarter of a mile away by his wife when he fell. She at once ran to him but when she reached the spot the clothing was on fire and the body considerably burned and the grass set on fire. George Franklin of this city was passing and assisted in carrying the remains of the unfortunate man to the house. Another team plowing not far away in the same field were knocked down but not injured.

A Sweet Breath.

is a never failing sign of a healthy stomach. When the breath is bad the stomach is out of order. There is no remedy in the world equal to Kodol Dyspepsia Cure for curing indigestion, dyspepsia and all stomach disorders. Mrs. Mary S Crick, of White Plains, Ky, writes: "I have been a dyspeptic for years—tried all kinds of remedies but continued to grow worse. By the use of Kodol I began to improve at once, and after taking a few bottles am fully restored in weight, health and strength and can eat whatever I like. Kodol digests what you eat and makes the stomach sweet." A W Foreman. dw

Going West.
